

Royal Marsden Hospital Manual of clinical nursing procedures

What is it?

The online version of the 9th edition of one of the most popular nursing textbooks. The manual provides up-to-date, evidence-based clinical skills procedures.

How can I access it from the intranet?

When you are at work, the manual can be accessed directly from the Trust intranet.

- Go to the Trust intranet homepage
- Select **R** from the A-Z list and click on **Royal Marsden Manual**
- Click **Access Manual** to go to the homepage
- From here, you can choose to browse or search

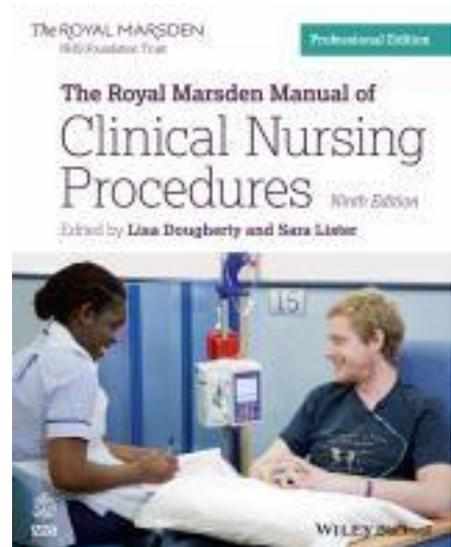

How can I access it from outside the Trust?

From outside the Trust, you will need an NHS Athens account. If you do not have one, register at <https://openathens.nice.org.uk/>.

- Go to the library website <http://library.northumbria.nhs.uk/> and select **Royal Marsden Hospital Manual** from the **Other resources** list at the bottom of the home page.
- Log in with your NHS Athens username and password

How do I browse?

- Select the green **Browse RMM** tab . For each chapter, there are several options:
- Click chapter title to go to that chapter
- Click **CONTENT** to show sections within a chapter
- Click **PROCEDURES** to show all procedures within a chapter

- Click **ILLUSTRATIONS** to show all illustrations within a chapter
- While you are reading a chapter, use the green contents list on the left or **Previous/next section** arrows on the right to navigate within the chapter

How do I search?

- Enter your search term(s) in the search box in the top right of the screen. If you are searching for a phrase, use speech marks, e.g. "pressure ulcer"
- Choose whether to search across procedure guidelines or all content and click **Search**
- Your search results will be displayed with the search terms highlighted. Click on the title to go to the text.
- Select **Advanced search** for more complex searches

Useful tips

- The manual is evidence-based and there are frequent links in the text to guidelines and research articles. Clicking on the links will take you to the abstract or, if available, the full text.
- The quality of evidence is indicated if you hover over the research level button, for example R2b = cohort study
- Click on the red **Help** tab  for more assistance.
