Let us know if there are any books or resources you would like to see in the libraries and we will do our best to meet your requirements.

**Tip of the month:** Check **UpToDate®** for full text  
Up to Date, the premier evidence-based clinical decision support resource now has some full text links for References. Following a search click on the title of articles referenced to check full text availability. You will need to log-in with an Athens password.  
UpToDate Mobile Apps, available for most leading devices, also make it easy to get clinical decisions support on the go
