

Adult Learners Week

Adult Learners' Week is an opportunity for individuals and organisations to celebrate the benefits of lifelong learning. Whether you're an individual looking at anything from improving your current job prospects to learning just for fun, or an organisation looking to help support adults with lifelong learning, Adult Learners' Week is for you.

Who will be there

- Learning and Development: Information around stat and mand training as well as development opportunities and courses such as NVQ's, University degrees and apprenticeships.
- IT information – IT trainer available to answer questions.
- Nursing Information – Career Advice
- Unison – Union Learning representative available.
- Library Services – resources & services to support your learning.
