libraries
support
students on
placement**

LIBRARY SERVICES FOR STUDENTS:

Books

We have an extensive range of books and e-books, including not just medical and nursing textbooks, but also fiction, biographies and health and wellbeing books.

Check to see if the book you want is available via the library website:

<http://library.northumbria.nhs.uk/>

You can borrow up to 10 items for a period of 4 weeks.

Items may be renewed by phone, email or online, unless someone else requests them.

Printing and photocopying

All the libraries have printer/copiers. Please observe the copyright regulations on display.

Online resources

For access to healthcare databases (including Medline and Cinahl), online journals and other resources, register for an NHS Athens account at: <https://openathens.nice.org.uk/>

Computer facilities

PCs are available in all of the Libraries. You need a Trust user name and password from Computer Services.

Study space

Wansbeck, North Tyneside and the Northumbria libraries have designated silent study rooms and areas for quiet discussion.
