SERVICES

Are you interested in starting a reading group?

Our book club encourages NHS staff and students to read widely and reflect on the impact their reading has on their learning and practice. We are offering to lend quantities of our Book club titles to Northumbria Healthcare staff or students who are members of the library.

This document provides a list of all of the available book club books that Northumbria Library can offer. All titles have at least 20 copies in stock

If you have any questions regarding this document or reading group loans, please contact:
